## Secondary Student Stationery List

**Please find below a list of stationery which should be purchased before the first day of school.**

The following items are essential:

- Geometry set
- Lead pencils, eraser, sharpener, pens and highlighters
- Scientific Calculator Fx-82AU Plus (or similar)
- 2 Maths grid workbooks, one for each semester (around 110 pages)
- 12 A4 size exercise books

The following items are also recommended:

- Ring-bound folder with subject dividers for long term storage of handouts at home
- Smaller display folder to store immediate handouts at school
