

# Child Protection Policy

Redfield College's Child Protection Policy implements and is to be read and understood in conjunction with the National Catholic Safeguarding Standards.

This Child Protection Policy, which includes our Statement of Commitment to Child Safety and Wellbeing, has been approved by the School's Board on March 2020. It is to be reviewed on an annual basis.

This Child Protection Policy is published on our School's public website and provided to new Staff, and to Direct Contact Volunteers at induction.

## **Purpose**

Our Child Protection Policy, which includes our Statement of Commitment to Child Safety and Wellbeing, was written to demonstrate the strong commitment of the School to child safety, and to provide an outline of the policies and practices that we have developed to keep our students safe, including from abuse or other harm.

It is an overarching policy that provides the key elements of our approach to the School as a child safe organisation and sets the tone for the School's entire Child Protection Program.

The Child Protection Policy provides the framework for:

- the implementation of the National Catholic Safeguarding Standards
- the development of work systems, practices, policies and procedures that promote child protection, safety and wellbeing within the School
- the creation of a safe and supportive School environment and a positive and robust child safe culture

- the promotion and open discussion of child safety issues within the School
- compliance with all laws, regulations and standards relevant to child protection and safety in NSW.

## **Scope**

The School's Child Protection Policy applies to all adults in the School community, including Staff, Volunteers, Contractors, External Education Providers, parents/carers and other family members. This Policy applies in all School environments, both physical and online, and on-site and off-site School grounds (e.g. camps and excursions).
